D. *Special Requirement for C-N Zones in the Pinelands Area.*

- (1) All uses, other than residential uses, which are listed as permitted, accessory, or conditional uses in the PF Zone, shall be considered as permitted uses in the C-N Zone in the Pinelands Area.

- (2) In addition to the uses listed in subparagraph (1) above, all uses listed in paragraph A, above, may be permitted in all Pinelands Area C-N zones where such zones are located within a Pinelands village or regional growth area.
- (3) Notwithstanding the Schedule of Area, Yard and Building Requirements, the minimum lot size for retail sales and service establishments in the Pinelands Area shall be forty thousand (40,000) square feet, or larger where necessary to comply with Article XIX of this chapter, except as provided in § 55-300 for unsewered lots in the Pinelands Area.

 - (a) Notwithstanding the minimum lot areas set forth above and in the Schedule of Area, Yard and Building Requirements, no such minimum lot area for a nonresidential use in the forest area of C-N zones shall be less than that needed to meet the water quality standards of § 55-291B(4), whether or not the lot may be served by a centralized sewer treatment or collection system.
- (4) Any variance or other approval for a residential use in the Regional Growth Area portion of the CN Zone shall require that Pinelands development credits be used for fifty percent (50%) of the authorized units for parcels under ten (10) acres in size; for seventy-five percent (75%) of the authorized units for parcels between ten (10) and twenty (20) acres in size and for one hundred percent (100%) of the authorized units for parcels over twenty (20) acres in size. [Amended 6-4-01 by Ord. No, 2001-15]
- (5) No development involving the use of Pinelands development credits shall be approved until the developer has provided the Commission and the

Township approval agency with evidence of his ownership and redemption of the requisite Pinelands development credits; provided, however, that the Township approval agency may grant general development plan, preliminary subdivision or preliminary site plan approval conditioned upon

such evidence being presented as a prerequisite to final subdivision or site plan approval. For such a final subdivision or site plan, the developer shall provide evidence of Pinelands development credit ownership and redemption to secure the same proportion of lots or residential units as was approved for Pinelands development credit use in the preliminary approval or, as appropriate, the general development plan. Notification of any such development approval shall be made to the Pinelands Commission pursuant to Section 55-277 and to the New Jersey Pinelands Development Credit Bank in accordance with N.J.A.C. 3:42-3. Redemption of the requisite Pinelands Development Credits shall occur in accordance with N.J.A.C. 3:42-3.6, prior to the memorialization of the resolution granting final subdivision or site plan approval, or if no such approval is required, prior to the issuance of any construction permits. [Amended 6-4-01 by Ord. No. 2001-15]

- (6) Any municipal variance approval which grants relief from the density or lot area requirements set forth in the Schedule of Area, Yard and Building Requirements for a residential or principal nonresidential use in the Pinelands Village portion of the CN Zone shall require that Pinelands development credits be used for all dwelling units or lots in excess of that permitted without the variance. [Amended 7-16-01 by Ord. No. 2001-29]
