

PUBLIC NOTICE:

*IN COMPLIANCE WITH SECTION 9.10 OF THE New Jersey Pesticide Control Code (N.J.A.C. Title 7 Chapter 30), the Township of Barnegat may be applying insecticides for the control of adult mosquito populations on an area wide basis as needed, throughout **Barnegat Township** during the period from May 15, 2017 through September 30, 2017. The pesticides used will be those recommended by the New Jersey Agricultural Experiment Station for control of adult mosquitoes which include Scourge 1854, Resmethrin & Piperonyl Butoxide. Products will be applied by ground equipment. **Herbicide** applications will also be made to all Township owned properties. All persons interested in obtaining additional information regarding Barnegat Township adulticiding activities are requested to contact Michael S. Ball, Public Works, NJ License No. 220 69B at 609-698-0080, Ext. 120. In case of a pesticide emergency, please contact the New Jersey Poison Information and Education System @ 1-800-222-1222. For routine pesticide-related inquiries, please contact the National Pesticide Information Center at 800-858-7378. Call the New Jersey Pesticide Control Program at 609-984-6507 for pesticide regulation information. Mosquito spraying schedule may also be broadcast on local radio stations whenever possible.*
